## Help Us to Keep Being Able to Help You

The uniqueness and rapidly changing landscape from the coronavirus and the disease called COVID-19 has dominated the news and headlines. The Borough of Ringwood has been preparing for the appearance of this virus for weeks. Every decision that is made is based on the science provided by experts and learning from the experiences of other cities and countries. When more testing is done, more cases will be identified. The majority of people infected with the coronavirus will have mild to moderate symptoms. Some people will not display any symptoms at all. There will be a small percentage that are at higher risk for hospitalization. We place the highest value on our residents, therefore, out of an abundance of caution, the Borough of Ringwood will enact the following measures:

- If possible, please get in touch with the Borough via **phone or e-mail**, instead of coming in to Borough Hall. You can visit the [Contact Us page](#) on the [Borough website](#) for this information.
- Use the availability of our **ON-LINE payment methods and forms**. Most of the information you are coming to Borough Hall for is available on our website ([www.ringwoodnj.net](http://www.ringwoodnj.net)). Here you can print, fill out, and then either e-mail, fax, mail, or drop off at the front desk of Borough Hall. If you are not sure, please call us and we can let you know.
- **DO NOT** come in to Borough Hall if you are sick or have been around anyone who is sick.
- Use the **DROP BOX** by the front door of Borough Hall to drop off payments.
- If you are scheduled or scheduling any **inspections** (building, health, etc.), please let us know if you or anyone in your household is sick.
- **CAUTION FOR OUR FIRST RESPONDERS:** (Police, Ambulance & Fire) When they are responding **YOU MUST** let them know if you, the patient, or anyone in the home, are, or have been, exposed to the coronavirus.
- Not sure about your symptoms or have questions? Please call the **ATLANTIC HEALTH CORONAVIRUS HOTLINE at 862-260-3199** or visit our website [www.ringwoodnj.net](http://www.ringwoodnj.net) for information and important links regarding the coronavirus.
- **Please check for cancellations** of meetings and events on our [Borough Calendar](#) and [Community Calendar](#) on the [Borough website](#).
- **Follow us on Facebook** for updates as well. [Ringwood Borough, New Jersey](#), [Ringwood Health Department](#), and [Ringwood Police Department, New Jersey](#)
