

**RINGWOOD ANNUAL PEDIATRIC FLU CLINIC**  
**Wednesday, October 14**  
**4:00 – 7:00 pm by appointment only**  
**Center for Family Resources, 12 Morris Road,**  
**Door #4-in rear of building**

**Injectable vaccine \$20.00 per dose**  
**Limited supply Flu Mist Nasal vaccine \$30.00 per dose**

Adults accompanying children may also obtain the flu vaccine at this time. Please notify the Health Department when you register your child, if you wish to be vaccinated as well. If you wish to attend this clinic, you must call (973) 962-4343 for an appointment. Appointments will be on a first come first serve basis.

Influenza vaccine is highly recommended for all children ages 6 mos. of age and older. (Infants, children with asthma and other lung conditions, and children with chronic illness are particularly at high risk.)

All children in daycare or preschool in the State of New Jersey, are required to obtain the influenza vaccine, prior to December 1<sup>st</sup>. Failure to do so will result in expulsion from the school or daycare center.

If a child under age 7 yrs. is receiving the vaccine for the first time, two doses (one month apart) will be required.

For all other questions or to make an appointment, call (973) 962-4343. Your call will be returned prior to the clinic and you will be given an appointment time.
